**I. READING**

Rick is ten years old. He lives in a farmhouse in the south of Ireland. He lives with his parents, his two sisters, Brenda and Lucy and his grandmother. Brenda and Lucy are twins. They are twelve. Rick's grandmother is sixty.

The children have got four family pets: a dog, a cat and two hamsters. The dog's name is Max. He is a big dog and he guards the farmhouse. He's got big brown eyes and a black tail.

His fur is black and brown. Max is 12 years old and he's very friendly but he likes chasing cats.

The cat's name is Kari. She's very beautiful. Her fur is grey and her eyes are green. She likes sleeping on the armchair during the day, but at night she hunts mice. She's a good hunter.

Kari is very clean. She often washes her fur. She's only three years old.

The hamsters are called Pixie and Dixie after the Disney's cartoon. Their fur is brown and they have small black eyes and long tails. They live in a cage in the girls' room.

**1. There are ..... people in Rick's family.**
