**I. READING**

Debbie is 12 years old. She lives in a small town not far from Warsaw. She lives in a nice house with her parents and brother. Her sister lives in America. Debbie's brother is 20 and her sister is 25 years old. Debbie's mother is a teacher and her father is a taxi driver. Every day Debbie walks to school. Her favourite school subjects are English and PE. She is also good at French and History. In her free time, she likes riding a bike, rollerblading, playing computer games and playing the keyboard. Her best friend from school is Mark. He is 11 years old. At school he loves Maths and Art. In his free time, he likes riding a bike, too. He also likes playing football and watching TV. They both like animals. Debbie has two pets: two dogs, two canaries and a rabbit. Mark has a dog, a cat and two hamsters.
