I. READING
Flora is ten years old. She lives in a small town on the south coast of England. She has brown hair and grey eyes. She has two twin brothers and a sister. Her little sister’s name is Polly. She is only five years old. Her brothers’ names are Jack and Joe. They are thirteen. Jack has got blond hair and blue eyes and his brother has got black hair and brown eyes. Flora’s mother is a teacher and her father is a vet. The family have three pets: a parrot, a dog and a guinea pig. The twins usually feed the guinea pig and the parrot. Flora goes for a walk with Max, their dog, every day. It often chases the neighbours’ cat. Flora likes riding a bike, running and playing football with her brothers. She doesn’t like watching TV or playing computer games.
