I. READING
Mark lives in a new house in the country. The house is quite small. It has three bedrooms, a living room, a kitchen, a bathroom and a toilet. Mark's bedroom is upstairs opposite his parents' room. His sister's bedroom is between Mark's room and the bathroom. Mark's bedroom is really nice. There is a desk near the window, between the bookshelf and the bed. On the desk there is a computer and a lamp. There is a chair at the desk. Next to the desk there is Mark’s stereo. In the corner of the room there are two comfortable armchairs. A wardrobe is opposite the window. On the walls there are some posters. In the middle of the room there is a carpet. Mark can't watch TV in his room. A television is next to the fireplace in the living room downstairs. Mark loves reading. He has about two hundred books in his room. When his homework is ready, Mark sometimes plays computer games for a while. He prefers surfing the internet to playing games. He often listens to his favourite rock music.
