The Hare and the Tortoise

A hare can run very fast. A tortoise plods slowly along. One day a hare saw a tortoise moving slowly along. “How slow you are!” said the hare. “Why don’t you run as fast as I do?” “I am ready to run a race with you and I’m going to beat you” said the tortoise.

They started.

The hare went very fast. He wanted to show how fast he could run. After a moment he stopped and said: “I have a lot of time, I can rest here under this tree.” He sat down under the tree and fell asleep.

The tortoise moved slowly along and did not rest even for a moment till he came to his goal.

The hare awoke, ran as fast as he could, but it was too late: he saw the tortoise at the goal.
